

## Questionnaire 2016

We need your help again this year. As a result of these questionnaires, and input from the membership, we have adjusted many processes with respect to the club. We are striving to provide the best possible service to you, the members, at the best possible cost. Please respond to the enclosed questionnaire and return to the club manager : Roddy Svendsen 5468 Michelle Court Atwater, Ca 95301 by April 30, 2015 or by email rsvendsen55@yahoo.com. Thank you for your continued support.

### **General:**

Do you have any comments or suggestions to improve attendance at the annual meeting? **Keep it short, earlier in year, web meeting**

Do you have any suggestions for improving attendance at the socials?

**More chairs**

Do you have any suggestions to improve the 4<sup>th</sup> of July Parade/BBQ?

**None**

### **Pool:**

Last year we asked a question about usage of the club's facilities. This year we would like to know if you would like the pool to remain open from Sept 5-30, with no lifeguard as a members only facility. The only way it can be open without a lifeguard is if it is members only. Management will be available for daily maintenance and upkeep. Please put an X beside your choice:

Keep pool facility open with pool available, (no lifeguard members only) **79%**

Do not keep pool facility open in September **21%**

Do you have any comments, suggestions or concerns you would like to see addressed by management or the Board with respect to the operations of the pool?

**Open until 7:00, how do you decide when pool closes for rain**

### **Tennis Courts:**

We presently have 2 Tennis courts available. It will cost between \$1500 to \$2000 to repair the third court. Should the club spend this money to repair the court or are 2 courts sufficient?

Yes **57%**

No **43%**

### **Tier 2 Operations (Pier):**

As a response to last years questionnaire we will be keeping the pier open during the month of September. General maintenance and upkeep will be done by management. It will be a members only facility as we can not have the facility available to non-members without an attendant there.

The question is would you be willing to pay extra to have an attendant on duty approximately 15-20 dollars per Tier 2 member:

Yes\_35%                      No \_\_65%

Please use the rest of this page to make any comments about pier operations:

Leave pier open after 8

How are buoy selections made

Update pier appearance
